ATLANTIC LIBRARY ASSOCIATION.

At a meeting, on the 13th September 1851, of the Overseers of the Atlantic Cotton Mills, to consider the expediency of establishing a Library for the use of the Operatives in said Mills—it was stated that Gen. H. K. Oliver, the Agent, would make a donation of one hundred Volumes as the foundation of such Library,—and would further loan the sum of Fifty dollars for the purchase of other Books. A Library Association was accordingly then formed. Subsequently the sum of \$50 and 24 Vols. of *Littell's Living Age*, were presented to the Library, by Wm. Gray Esq., Treasurer of the Mills. Further donations were made by Amos Lawrence Esq., and by the Lawrence Tract Society. The above donations constitute the foundation of the Library, the members whereof adopted the following Preamble, Constitution and By-Laws :

PREAMBLE.

DEEMING it of the utmost importance, to diffuse useful knowledge, among those whose daily avocations prevent a very extensive acquisition thereof, and believing the establishment of a Library Association to be the most available and efficient means of disseminating general intelligence, and promoting scientific knowledge and practical skill, and the further development of right views and social feeling among its members :—

We, the Agent, Superintendent, Overseers, and Clerks of the Atlantic Cotton Mills, in the city of Lawrence, agree to form an Association, for the promotion of the objects specified, and to be governed by the following
